

LILA SONG / CANCION / 歌

Todo un mundo por descubrir (a whole world to discover)
un nuevo idioma que aprender (a new language to learn)
Together we will make our mark
Sharing peace from heart to heart

Aprendo toda mi vida (I learn through all my life)
The journey starts with LILA
I'm learning through my whole life
meng xiang kai shi de di Fang (here is where we start)

LILA, LILA, LILA, LILA (x2)
(Key change)

Reaching out to lift you up
Making us forever strong
Vemos algo que cambiar, (we see something to change,)
nos ponemos en acción (we take action)

Aprendo toda mi vida (I learn through all my life)
The journey starts with LILA
I'm learning through my whole life
meng xiang kai shi de di Fang (here is where we start)

Aprendo toda mi vida (I learn through all my life)
The journey starts with LILA
I'm learning through my whole life
meng xiang kai shi de di Fang (here is where we start)

I'm learning through my whole life
todo comienza en LILA (everything starts at LILA)
wo men yi qi zai LILA. . . (we are together at LILA)

this is the place where we start
